Direct Cremation

$ 745.00 - $ 1,140.00

State and local laws do not require a casket for direct cremation. If you want to arrange a direct cremation, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering). The containers we provide are: the Transporter and Harmony made of cardboard and fiberboard materials. Our direct cremation charge includes: basic services of funeral director and staff, other preparation, transfer of the deceased to the funeral home, transfer to the crematory, utility vehicle, the crematory charge, temporary urn; cremation permit and one death certificate. Additional services, identification viewing, additional merchandise (such as the cremation container and the urn), and cash advance items are NOT included.
