## **GENERAL PRICE LIST**

**THESE PRICES ARE EFFECTIVE SEPTEMBER 15, 2019  
BUT THEY ARE SUBJECT TO CHANGE WITHOUT NOTICE**

(Prices on Pre-arranged Funerals are guaranteed  
to remain the same for 120 days.)

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

### **FUNERAL ARRANGEMENTS**

Please note that our fee for overhead and basic professional services is \$3075.00. This same fee shall be added to the total cost of your funeral arrangements if you provide the casket. Our services include, but are not limited to, staff to respond to initial request for service; arrangement conference with family or responsible party; preparation and filing of necessary certificates and permits; placement of obituary notices; planning of funeral arrangements; and coordination of service with cemetery, crematory, vault companies and others as required. Also included in this charge are overhead expenses relative to our facility such as insurance, maintenance and utility expenses, secretarial and administrative costs, and equipment and inventory expenses. (This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

The caskets range in price from \$995.00 to \$6995.00. There are 33 caskets, and they are listed separately on the casket price list. A complete price list will be provided at the funeral home. These are the caskets we normally offer. However, we at all times offer a full range of colors, styles and prices. Because some caskets take up to four weeks for delivery, all caskets are not always available.

## OUTER BURIAL CONTAINER PRICE LIST

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave.
