Other selections are available.

NOTE 1: You may choose to purchase a cremation casket instead of using the rental casket. We will discount the package \$300 and add the price of the casket of your choice.

NOTE 2: The law does not require embalming for a basic cremation. However embalming is necessary for either the Platinum or Gold Package selections that include a public viewing/visitation.

NOTE 3: The law does not require the purchase of a casket for services including cremation. However, Bearden Funeral Home does require the use of some type container in which the remains will be placed for all cremation services. This is for sanitary purposes as well as to preserve the dignity of the deceased. Price is included in all package selections.
