## GENERAL PRICE LIST

These prices are effective as of February 28, 2019, but are subject to change without notice.

**The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.**

### **BASIC SERVICES OF THE FUNERAL DIRECTOR AND STAFF AND OVERHEAD:**

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.) This fee includes the following:

Personnel available 24 hours a day, 365 days a year to respond to initial call

Arrangement Conference

Coordinating service plans with cemetery, crematory, and/or other parties involved in the final disposition of the deceased

Preparation of necessary forms for governmental agencies.

Also covers overhead, including facility maintenance, equipment and inventory costs, liability insurance and governmental compliance costs.

\$3,830.00

### **PREPARATION OF THE BODY:**

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

## ***OUTER BURIAL CONTAINER PRICE LIST***

*These prices are effective as of February 28, 2019, but are subject to change without notice.*

### **Federal Trade Commission (FTC) Disclosure**

State or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.
