Berry Funeral Home & CREMATORY

GENERAL PRICE LIST

These price are effective as of April 1, 2019 and are subject to change without notice.

A list of funeral costs is mandated by the Federal Trade Commission. Every funeral home is required to make this list available upon request for comparison by the consumer. Our list has been simplified for this purpose. However, comparing prices can be confusing. We invite you to contact us for clarification.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected. This list does not include prices for certain items that you may ask us to buy for you, such as, but not limited to, cemetery fees, death certificates, flowers or newspaper notices. The price for those items will be shown on your bill or the statement describing the funeral goods and services you selected.

PROFESSIONAL SERVICE FEES
