General Price List

These prices are effective as of January 1, 2019 and are subject to change without notice

The goods and services enclosed are those we provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy item(s) you did not specifically ask for, an explanation will be included on your statement. This statement lists and describes all funeral goods and services you selected.

There are no laws requiring an outer burial container for interment within the state of Georgia. However, nearly all perpetual care cemeteries do require some type of rigid container. Many private and church cemeteries are adopting this policy. Neither sealed type caskets nor sealed type outer burial containers are designed for the long-term preservation of their contents. Their purpose is to keep outside elements from getting into their interiors. Burpee-Scott Memorial Chapel and Crematory neither provides nor implies any additional warranty on the casket or outer burial containers purchased other than what is provided in writing by the manufacturer.

It is our desire to serve you in every manner possible in your time of need. We want you to know of the additional services we offer and we urge you to take advantage of them. The following services we provide at no additional cost to you are:

- Filing Insurance Claims
- Filing Veteran's Benefits
- Notary Public

Due to the fact that we are not able to finance funerals, the acceptable payment arrangements are listed below:

- Advanced Pre-Paid Funeral Plan
- An Assignable Insurance Policy
- Check or Cash or Credit Card
- Bank approved financing with your local bank

Online at www.burpeescottmemorialchapel.com you will find a grief library, veteran's information, social security information, and other helpful information. You can even submit your pre-arrangement wishes to be kept on file with us. We post obituaries on our website where one may sign an online registry for our families.

Our reputation is important to us. It is our desire to provide the kind of service that meets the need of every family. If you see an area that we can improve on or an area that worked well for you, please let us know! Your words of concern or compliment are valuable in making Burpee-Scott Memorial Chapel a place that meets the needs of the families in our community. Thank you for your confidence in us.
