So that you might better understand funeral cost...

It has always been the policy of Canton Funeral Home and Cemetery to make you aware of all your options where Funeral Arrangements for a loved one are concerned and the cost of those services. The disclosures in this price list are made in accordance with the requirements set forth by the Federal Trade Commission and these prices have been derived using generally accepted practices.

It is your right and our desire that you have as complete an understanding as possible concerning the cost of the services you select; if there is anything you do not understand about the cost of the goods and/or services you select for your loved one please ask for an explanation and do not leave until we have provided you with a complete understanding of your selections to your satisfaction.

The biggest factor in our services is the time factor involved in terms of our personnel and the use of our facilities so that we might better serve you. The maintenance of this service and the facilities is unending; that is, it must be available 24 hours a day every day of the year, thus ours is a 168-hour week as opposed to the accepted standard 40-hour week. Many phases of our work are apparent, others are not. No two services are exactly alike. Traditions, customs, social standing, personal wishes, financial ability and numerous other factors influence each service. Our services must conform to meet the needs of each and every family's desire

At Canton Funeral Home, we pledge to fully meet the needs and desires of the families we are privileged to serve.

Payment Options

Payment for goods and services you select must be secured prior to the services being performed. For your convenience we offer the following payment options;

- A. We accept cash or personal checks
- B. We accept a verifiable valid insurance assignment, however acceptance of such an insurance assignment could result in additional fees if we are required to use a third-party provider to collect the proceeds of the policy.
- C. We accept Credit Cards (Visa, MasterCard or American Express)
- D. We have financing options available through a third party for qualified family members, however the use of such third-party finance companies could result in additional fees.

Thank you for the opportunity to assist you and your family...

The goods and services shown below are those we can provide to our client families. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead.
