**General Price List**

These prices are effective **January 01, 2018** but are subject to change without notice.

The goods and services shown below are those we can provide to our client families. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must purchase any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

**Personal Services**

**Services of Funeral Director and Staff:**

Our professional service charge includes, but is not limited to, consultation with family, clergy and others for arrangements, procurement and preparation for filing of necessary notices, authorization and consents, custody of the remains, filing of death certificates and obtaining permits. General administrative and record keeping, and other general operating expenses, i.e. visitation, floral arrangements, memorial tributes, coordination of services, including notary public services, assistance with insurance, veterans administration, and social security along with many other services rendered as necessary. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding and receiving of remains.)

**\$1,695.00\***

**Embalming**

Except in certain special cases, embalming is not required by law. Embalming may not be necessary, however, if you select certain funeral arrangements, such as funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or direct burial.

~OTHER CONTAINERS AVAILABLE UPON REQUEST~

In most areas of the country, state or local law does not require that you buy a container to surround a casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.
