## ***OUTER BURIAL CONTAINER PRICE LIST***

*These prices are effective as of April 8, 2019, but are subject to change without notice.*

### **Federal Trade Commission (FTC) Disclosure**

State or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.
