These prices effective as of January, 2018 and are subject to change without notice.

In most areas of the country, state, or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements. (Vault Service charge of \$525 is not included in this cost)
