GENERAL PRICE LIST

When my wife and I first opened Gregory B. Levett & Sons Funeral Homes & Crematory, Inc. we had no desire to be the largest; we simply strived to be the best. We never imagined we would grow into the largest family owned and operated funeral home in Georgia. When we first opened our goal was to help one family a week; today we serve over 1400 families a year. We contribute our success to having strong faith, an educated team and giving back to the community.

We feel it is of utmost importance for the families we serve to be well informed. We are providing you with this complete listing of all prices for professional services and goods. Should you have any questions about our general price list, please do not hesitate to call upon any of our staff members.

Our mission is to serve the community no matter your nationality or religion with dignity and first class care. We will continue providing you with the information and options to create a service tailored to fit your needs. Without families entrusting their loved ones to our care we would not be where we are today. We believe that everything we do is for the greater good of the community and will continue to raise the standard of caring for families in need, and provide dignified first class service worldwide for generations to come.

Sincerely,

Gregory B. Levett, Sr.
