## Services

### **Basic Professional Services of Funeral Director and Staff** **\$1395.00**

This is the basic charge to each family which we service for our professional expertise in assisting them. It includes, but is not limited to, a proportionate share of the taxes, licenses, utilities and business expenses necessary to serve the public in a professional manner. Also included in this are charges for the personnel that are available 24 hours a day, 365 days of the year to respond to all initial calls, the consultation with the family, clerical and administrative services, preparation and filing of necessary permits, consultation with the clergy, cemetery, crematory or common carrier, planning the funeral or memorial service, and placement of obituary notices. There will be an additional charge for the direction and supervision of each service requested or required. This fee for our basic service and overhead will be added to the total cost of the arrangements you select. (This fee is already in our charges for direct cremations, immediate burial, and forwarding and receiving remains.)

### **Embalming** **\$795.00**

Embalming is a chemical process which provides **temporary** preservation of the body and eliminates certain health hazards. A person licensed by the State of Georgia must complete this procedure. Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
