Outer Burial Container Price List

Prices effective as of March 1, 2019

In most areas of the country, State or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

- Trigard Oxford Estate** **\$1150.00**
This reinforced vault with arched cover and tongue and groove design with tape seal includes Trigard's thermoformed polymer liner on the interior, and a painted exterior finish
- Trigard Trilogy** **\$1450.00**
This concrete reinforced vault with arched cover, tongue and groove design with tape seal, and thermoformed polymer liner comes with a wide variety of options. The interior liner is available with a simulated stone finish.
- Trigard Aegean** **\$1850.00**
The Aegean® represents a leap forward in both protection and options. This model includes the patented arched, reinforced Trigard cover with tongue and groove design, a thermoformed interior liner, and an additional exterior layer of high impact polystyrene.
- Trigard Reflection** **\$2150.00**
The Reflection® builds on the same basic features as the Trilogy®. The reinforced vault with tongue and groove design with tape seal and the thermoformed polymer liner provide strength and security, while a textured, painted exterior finish with decorative handles, personalized nameplate, and cover emblem add a touch of class. But what truly makes the Reflection shine is the addition of pure, handcrafted metals. Interior sheeting and exterior caps are available in gleaming stainless steel
- Standard** **\$950.00**
This reinforced vault with arched cover and tongue and groove design with tape seal includes natural concrete with no inner liner.
