Community Committed

Luke Strong And Son Mortuary is South Georgia most prestigious Funeral, Cremation and Memorial Service Provider. With unprecedented attention to detail and upmost respect to our families we provide the highest level of service and care.

Luke Strong And Son Mortuary was founded July 11, 1995 by the late Luke P. Strong, Jr. and Betty A. Strong, with the vision to provide the very best in service and merchandise. This vision of excellence has been instilled in their son, Luke Strong, III, who has been the CEO since 2006.

Luke Strong And Son Mortuary acquired the Historic Saint James Pallbearers Cemetery # 1 and the St. James Pallbearers Cemetery #2 in 2009. After the death of Luke Strong, Jr. the Strong Family acquired Pinecrest Memory Garden which is a 12-acre perpetual care Cemetery in 2018. Since acquiring Pinecrest Memory Garden the Serenity Cremation Garden has been added which is one of only two in the South Georgia area.

Each life deserves to be honored and celebrated. We believe in trying to provide service to everyone. We do everything we can to provide respectable, honorable, and memorable experience to each family no matter their financial situation.

To Every Family that We Serve

One of the most important responsibility that we have to each family that we serve is to bring your emotional and financial need together, whatever the situation may be. As part of our consultation with your family we will discuss the different options that we offer to help you with the funeral expenses.

Payment arrangements must be discussed and made during the arrangement conference. **Payment for all services, merchandise and cash advances are due in full 72 hours before services are rendered.**

Acceptable Methods of Payments

1. Pre-funded arrangements
2. Cash or Check
3. Credit or Debit Card (Master Card, Visa, Discover, American Express) 3.5 % Processing Fee
4. Verified Life Insurance Policy (4% Processing Fee)

Life Insurance Policies are funded and advanced through Funeral Funding Center, LLC. In most cases this will allow the funeral home and the beneficiary to received insurance proceeds within 48 hours from the completion of the claim, subject to approval. The assignment fee is 4% that will be added to the total price of the Statement of Funeral Goods and Services.

Note Insurance Assignment requires the following criteria:

- Original Insurance Policy
- Verification of Beneficiary
- Verification that the policy is in force
- Verification that the policy is not contestable
- Verification that the policy is assignable to the funeral home
- Verification that there are enough funds to cover funeral arrangements.

Due to the length of time it take to process and the likeliness that it will not pay full benefits we do not take claims on Contestable Insurance Policies.

Due to the time it take to process Estate's we do not bill Estates.

Warranties – Our funeral home makes no representations or warranties about the protective value of certain caskets or outer burial containers other than those made by the manufacturer. The only warranties, expressed or implied, granted in connection with goods sold with this funeral service are the written warranties, if any, extended by the manufacturers thereof. No other warranties of merchantability and fitness for a particular purpose are extended by the seller. In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. With a grave liner or a burial vault will satisfy these requirements.
