The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. **However, any funeral arrangements you select will include a charge for our basic services and overhead.** If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

To Our Customers:

On the following pages, you will find the General Price List for McNeill Funeral Home & Cremation Service. Our format complies with the Federal Trade Commission Rule.

When comparing funeral goods and services, it is important to compare only the final price for all items combined. Some funeral homes depend more on merchandise sales to recover their overhead, while others rely on service and facilities charges. The only way to actually compare prices, is to choose all services and associated merchandise and then compare the final amount.

Finally, it is very important to choose a funeral facility and funeral directors, in whom you have faith. Choosing a professional funeral director who deals with every family and every request with compassion and understanding, may be the most important selection a family has to make. McNeill Funeral Home & Cremation Service, encourage your questions and are always willing to give honest and straightforward answers.

We serve all faiths and viewpoints, in a professional and caring manner. Our funeral directors are mortuary college graduates and have been serving families, for over 30 years. We are a small, family-owned business, that believes in quality care at an affordable price.

All payments are due in full at the time of arrangements, unless otherwise discussed. We accept all major credit cards, cash, checks and verified assignable insurance, verified by a third party, whose fees for this service will be disclosed.
