This is the basic charge to each family which we service for our professional expertise in assisting them. It includes, but is not limited to, a proportionate share of the taxes, licenses, utilities and business expenses necessary to serve the public in a professional manner. Also included in this are charges for the personnel that are available 24 hours a day, 365 days of the year to respond to all initial calls, the consultation with the family, clerical and administrative services, preparation and filing of necessary permits, consultation with the clergy, cemetery, crematory or common carrier, planning the funeral or memorial service, and placement of obituary notices. There will be an additional charge for the direction and supervision of each service requested or required. This fee for our basic service and overhead will be added to the total cost of the arrangements you select. (This fee is already included in our charges for direct cremations, immediate burial and forwarding or receiving remains.)

Embalming
