Parrott Funeral Home & Crematory

On behalf of the staff at Parrott Funeral Home & Crematory, we want to express our gratitude for allowing our family to serve your family during this very difficult and emotional time. Our promise to you is to listen to your wishes and desires, and to carry them out in a compassionate and professional manner.

Enclosed in this packet you will find information to help you make good decisions based on what is best for your family. We will assist you during the arrangement conference to bring all of your needs together and celebrate the life of your loved one.

We have provided you documents that will help expedite our services to you. If you wish, you can fill out the basic Vital Statistic and Biographical information privately before we meet with you. This will assist us in completing the Obituary and Death Certificate. You will also see our Consumer's Guide to Selecting a Funeral and General Price List, along with payment options that will fit any of your financial needs.

When you come to the arrangement conference, depending on what is applicable to your funeral requests, you will need to consider bringing clothing, veteran discharge documents, insurance policies, social security card and birth certificate of the deceased, jewelry, and a picture of your loved one. We will stay in close contact with you during the entire process to help you with anything that needs to be taken care of.

Again, thank you for allowing us to serve you and placing your trust in us during this time.

Payment Options Policy

To Every Family That We Serve

One of the most important responsibilities that we have to each family we serve is to bring your emotional and financial needs together, whatever the situation may be.

As part of our consultation with your family, we will discuss the different options we offer to help you with the funeral expenses. Our goal is to insure that the services and merchandise you choose will fit into the financial situation you are in.

Payment arrangements must be discussed and made during the final arrangement conference. Payment for all services, merchandise and cash advances are due in full by the day that the funeral services are rendered.

ACCEPTABLE METHODS OF PAYMENT ARE AS FOLLOWS:

- Option 1: _____ Pre-Arranged
Option 2: _____ Cash or Check
Option 3: _____ Credit Card (Master Card, Visa, American Express, or Discover)
Option 4: _____ Life Insurance Assignment

THE USE OF AN INSURANCE ASSIGNMENT IS AT MANAGEMENT'S DISCRETION.

Note * Insurance Assignments require the following criteria:

Original Insurance Policy

Verification of the Beneficiary

Verification that the policy is in force

Verification that the policy is not contestable

Verification that the policy is assignable to the funeral home

Verification that there are enough funds to cover the funeral expenses

Insurance assignments may be acceptable if this criteria is met. If the certified death certificate is delayed for any reason, other payment options presented must be in place. Your funeral director will discuss this in detail with you.

ESTATE PAYMENT POLICY

It is the policy of the funeral home not to wait for and accept payment for funeral expenses from the settlement of an estate.
