SERVICES

Effective Date: February 1, 2019

The goods and services shown below are those we can provide to our customer. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any item you did not specifically ask for, we will explain the reason in writing on the statement describing the funeral goods and services you selected.

BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF **\$ 3,495.00**

Our charge includes consultation with the family or responsible party; staff and facilities to respond to initial requests for services, coordinating service plan with cemetery, crematory and/or other parties involved in the final disposition of the deceased; securing official documents and necessary registrations and basic sheltering of deceased. This fee for basic services and overhead will be added to the total cost of the funeral arrangements you select. This fee is already included in our charges for direct cremation, immediate burials and forwarding or receiving remains.

EMBALMING **\$ 755.00**

Except in certain cases the law does not require embalming. Embalming may be necessary, however, if you select a funeral arrangement, such as funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement, which does not require you to pay for it such as direct cremation or immediate burial. Embalming includes embalming of the deceased, bathing, and disinfecting.

DRESSING, COSMETIZING, AND CASKETING OF REMAINS **\$ 275.00**

ALTERNATIVE CARE **\$ 185.00**

Alternative care is provided when embalming is declined. This process includes the sanitary care needed to maintain public health standards and safe working conditions for our staff.

State or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.
