Services provided by Poole Funeral Home:

This guide is designed to familiarize you with the services and products that normally compose different types of funeral arrangements. Enclosed you will find information on Traditional Services, Cremations, Forwarding or Receiving Remains, Direct Burial and various alternative dispositions for limited services. Each category offers a different level of use for our staff, facilities and equipment. You may choose only those services you want directly from the General Price List. The consumer's guide is another way to make things easier for the selecting party to make an informed choice.

The Goods and Services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Keep in mind that a funeral is a meaningful event and one that properly planned, can help ease the pain of separation that naturally accompanies a death. It is a time of sharing good memories and experiences with friends and family. Our professional staff can help you in coordinating all of the details and will explain all of the options. Our primary objective is to provide a superior service for all clients we serve.

Basic Professional Fee for Services of Funeral Director & Staff

\$3,495.00

Our charge includes funeral counseling, necessary arrangements, recording vital statistics, securing permits, filing and obtaining death certificates and other forms and claims, preparation of necessary notices, and coordination of service plans with parties involved in the final disposition of the deceased.

This fee for our basic services and overhead will be added to the total of the funeral arrangements you select. This fee is already included in our charge for direct cremations, immediate burials, and forwarding or receiving remains.

Embalming Fee

\$ 995.00

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
