To the families we serve:

We want to thank you for trusting us to serve you and your family at this very difficult and traumatic time in your lives. We strive to provide guidance in a caring and professional way to help you with the many decisions that must be made in a short period of time and at a very difficult time. It is important to us that you know we care about you and your family and feel it is truly an honor to be allowed to provide our services to you.

The arrangement conference can sometimes be an overwhelming process for many families. We are here to help alleviate some of that stress and make sure that the entire process is as comforting as it can be in such circumstances. Therefore, it is important that you ask as many questions as you need to and that you leave the arrangement conference fully understanding the options you had and the costs involved.

This document is intended to help you understand what makes up the cost of the services you select and to offer you all of the options available through Vining Ivy Hill Chapel.

Once again, thank you for the honor of serving you and your family. We truly appreciate it.

The Staff of Vining Ivy Hill Chapel

## GENERAL PRICE LIST

These prices are effective as of January 1, 2018. They are subject to change without notice.

### METHOD OF PAYMENT

*Payment for goods and services is expected prior to the services rendered unless other arrangements have been made prior to need. For your convenience we accept cash, check, credit card (Visa or Master Card), a verifiable irrevocable insurance assignment or financing through a financial institution.*

*The goods and services shown are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.*

### Services

This is the basic charge for each family whom we serve for our professional expertise in assisting them. It includes, but is not limited to, a proportionate share of the taxes, licenses, utilities and business expenses necessary to serve the public in a professional manner. Also included in this charge is the consultation with the family, clerical and administrative services, preparation and filing of necessary permits, consultation with the clergy, cemetery, crematory or common carrier, planning the funeral, and placement of obituary notices. There will be an additional charge for the direction and supervision of each service requested or required. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select.

Embalming Normal Remains	\$ 960.00
--------------------------	-----------

Embalming is a chemical process which provides temporary preservation of the body and eliminates certain health hazards. A person licensed by this state must complete this procedure. *Except in certain special cases*, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
